## DEAR MEMBERS & FRIENDS,

Warm Greetings from Sunny Orchid!

OCC celebrates its 25th Silver Jubilee this year and it is a wonderful time for us to reflect on yet another milestone that we have reached. Since 1993, we have seen steady progress in the Club as we strive to make OCC exclusive for our members, yet inclusive for the Labour Movement Family. Growing through thick and thin, we have learnt a lot to become a premier Golf Country Club in Singapore that engages our members in golfing events and social & recreational activities, while fine tuning our operating processes and service delivery to meet our members' needs and expectations. This could not have been achieved without the active participation, strong support, constructive feedback and suggestions from all of you. For the past 25 years, we have built a strong camaraderie and friendships with our members and would like to express our sincerest appreciation and gratitude to everyone who has played a part in bringing OCC to where we are today.

As part of the Club's ongoing service improvement initiatives, you would have noticed that registration and payment processes have been automated at our Club facilities since 1 April 2018 (Sunday). With this automation of processes, members will no longer be required to manually sign in and out when utilising the Golf Changing Rooms, Aranda Lounge, Gymnasium, Swimming Pools and Orchid Bowl. Members patronizing F&B outlets such as Par Lounge, Himawari Japanese Restaurant, Peach Garden Chinese Restaurant, Royale Café, 100% Muslim-owned Royal Palm "Halal" Restaurant and Vanda Terrace can simply charge their consumption with a swipe of their membership card. This ensures that members' personal information are protected and also improve your overall service experiences. Should your membership card be found faulty at the point of registration or payment, you will be pleased to know that you can get a complimentary one-for-one replacement card, and our Club personnel will assist you in this simple process. Do remember to bring along your membership card for this seamless registration and payment convenience.

The highly anticipated upgrading of our Golf Registration Counter will be commencing on 10 May 2018 (Thursday) and renovation works are scheduled for completion by 26 June 2018 (Tuesday). During this interim, all Golf registrations will be temporarily shifted to the Octagon. Once completed, members can look forward to a tastefully refurbished "open concept" Golf Registration Counter with glass enclosure, air-conditioning and cosy Lounge areas, providing a bright and refreshing outlook and creating a complete and memorable service experience. We would like to thank you for your patience and understanding during the renovation period.

You will be delighted to know that we are continuing with our Club-wide energy conservation initiatives. In April 2018, you would have noticed the replacement of conventional lightings to LED light fixtures for the Level 2 corridors outside the Emerald Suite and Par Lounge at the Golf Clubhouse. We will gradually progress to the Social and Recreation Clubhouses for the next phase. This brightens up the Clubhouse and provides a safe environment, and a more cheerful and warm ambience. For other enhancement projects, the upgrading of Restrooms at the Golf Clubhouse Level 1 & 2, Golf Changing Rooms,

Social Clubhouse Level 1 (next to the Theatrette) is targeted to commence from July to November 2018. Details shall be available in due course so do look out for updates in our Club announcements.

At the Golfing front, this year's OCC-Seletar Inter-Club Match was played at Seletar Country Club on 18 March 2018 (Sunday), where 120 golfers from both Clubs participated enthusiastically for this annual friendly game. Into its 9th season, the exciting game has whipped up good team spirits, with friendships and camaraderie further strengthened between the two Clubs. Do flip to page 7 for a brief write-up with snapshots of this event. We hope that our members will continue to participate actively in future friendly games as we endeavour to build strong and lasting bonds with our neighbouring Clubs.

In other Club news, one of the Ministry of Home Affairs (MHA) new rulings on Jackpot Room operations will be put in place with effect from 1 May 2018 (Tuesday). All members are required by the National Council on Problem Gambling (NCPG) to sign a one-time consent form in order to verify whether there are any Self-Exclusion or NCPG Relevant Exclusion, and for NCPG to release such information to the Club. When registering for entry or re-entry into the Jackpot Room, you are required to produce a valid photo identification card with NRIC number and OCC membership card for us to check NCPG Self-Exclusion and Relevant Exclusion Status. We thank you for your kind co-operation and understanding in this matter.

These 25 years for the Club have been a delightful journey as we witnessed many past achievements and accolades, which include being awarded "Asia's Best Course in Singapore (Dendro-Vanda Course)" for the prestigious Asian Golf Awards; with persistent focus on comprehensive cultural practices to ensure that the maintenance of our Golf Courses are consistently upkept at a high standard of playability, aesthetics and a memorable experience for our members and guests alike. These are a testament to our standard of excellence as we continue to strive to become one of the top Golf Clubs in Singapore. As we embark on our journey ahead, we will keep up with initiatives to nurture a Club culture that our members, and their families and friends will look forward to spending time at.

And on behalf of our Proprietor and the General Committee, we wish all members and your loved ones a very Jubilant 25th Anniversary and we look forward to many more years to be of service to you!

Warmest Regards,  
**RICHARD FOO**  
General Manager

# OCC Gold Medal 2017 on 11 February 2018 (Sun)

Winners of the OCC Monthly Medals 2017 competed in an exhilarating Gold Medal 2017 for the opportunity to be crowned overall Champions. An intense match unfolded as all the eager participants demonstrated their golfing skills and vied for the esteemed title. Mr Tan Xuan Hao Tommy and Ms Janis Han Guiqing ultimately emerged as winners of the Men's and Ladies' Divisions respectively. Big congratulations to both!

## DENDRO/VANDA

### MEN'S DIVISION

POSITION	NAME	SCORE
WINNER	TAN XUAN HAO TOMMY	67 NETT
RUNNER UP	JOHN JOSEPH DONOUGH	69 NETT

### LADIES' DIVISION

POSITION	NAME	SCORE
WINNER	JANIS HAN GUIQING	70 NETT
RUNNER UP	JEAN CHAN KHENG	71 NETT

## A Chat with the Winners

### How did you feel when you emerged as Champion for the Gold Medal 2017?

**Tommy (T)** : I was happy as it was an event that I have always wanted to win, and I felt that I played well that day, which makes me happier knowing my hard work paid off.

**Janis (J)** : I was shocked and extremely happy! Honestly, I didn't expect to win as there were many other better players. I just tried my best and stayed focused.

### What is your winning formula to playing golf well?

**T**: Be smart around the golf course and stay as calm as possible even after a bad shot.

**J**: I play regularly, at least twice a week. Playing regularly, the constant challenges and friendly competitions between friends motivate me to improve and up my game. I also have a coach with me 24/7 – my husband! Learning your own strengths and weaknesses also helps; for me I focus on my short game.

### Besides consistent practice, how do you prepare yourself mentally before a game?

**T**: As I tend to lose focus easily, I will write some notes down before the game and consistently look at it. This keeps me calm and I will be able to focus better.

**J**: I was not focusing on the competition. I told myself to just focus on my game and play the way I normally would. This way, there was no pressure or stress.

### Any advice/tips for aspiring golfers who wish to improve their knowledge and skills?

**T**: Train hard and train smart. Also, try to spend lesser time at the Range and more time on the golf course as that is where you really get to practise and understand your golf game.

**J**: Find a good group of friends, enjoy their company and friendship, which can spur you on to improve. That's how I started to pick up golf and enjoy playing it. When you enjoy the game, you will naturally make constant improvements.

Vice-Captain Ted Wong (right) with Mr Tan Xuan Hao Tommy (left), winner of Men's Division.

Ms Janis Han Guiqing (left), winner of Ladies' Division.

# What Should You Use To Mark Your Golf Ball?

During a golf game, ball markers are used on the putting green to mark the position of a player's golf ball, making it easier to remember where the ball landed on the green. According to USGA Rule 20-1, ball markers should be placed directly behind the ball to mark out the position of a player's ball on the putting green before it is lifted, so that other players can continue to putt without any hindrance.

Typically, small, round and relatively flat objects, are considered appropriate for players to use as a ball marker. However, there are also other unorthodox alternatives that may be used by golfers.

## Recommended Ball Markers

Official Golf Ball Markers

Coins

## Not Recommended

Placing the toe of a club at the side of, or behind, the ball

Using a tee

Using a loose impediment

Scratching a line

Illustrated Scratched Line

Even though a golfer will not be penalised when using the above methods to mark a ball, it is considered poor golf etiquette, and you are strongly encouraged not to do so in order to ensure an enjoyable game for all golfers.

We hope this article provides insightful information for you to know more about ball markers. Happy Golfing!

# Pre-Round Putting Routine To Save You Strokes

Putting is as much about judgement as it is about technique. Below is a simple pre-round warm-up routine that will assist you to firstly, check that you are hitting putts "squarely" (straight), and secondly, assist you in gaining judgement on the speed of the greens.

Follow this routine before hitting the first tee, and you will find that you can putt better on the first hole and more confidently for the rest of your round.

- 1** To start off, take three balls and find a "straight" putt to one of the holes on the practice green with a distance of about 0.9m.

Your first exercise is to hole 6 consecutive putts of this length. Once you have achieved this, you will be confident in starting your putts fairly well along a straight line.

- 2** Your second exercise will help you to get a better "feel" for the speed of the greens.

Take your three balls and place them at varying distances from the green's fringe.

Putt these balls so that they finish as close to the fringe as possible. It will be beneficial to practise this more than once. Repeat the exercise in the opposite direction. Your first putts may have been slightly up or downhill, or into the grain or down-grain, so putting in the opposite direction will aid you in your judgement on the course.

Tip: Take note that you should be putting to a distance in the second exercise, instead of putting to a hole. This will facilitate your judgement on the speed of the greens.

**Take a few minutes to try out the above routine, and you might just save yourself a few strokes during your golf games!**

# SOCIAL SATURDAY – EASTER EGG PAINTING ON 24 MARCH 2018 (SAT)

For March's edition of Social Saturday, 15 members had a hand in creating some Easter craft. Besides learning a paint-swirl technique to coat the Styrofoam eggs, the members also got their creative juices flowing as they painted to their heart's content. They also went on to transform foam papers into baskets overflowing with bright Spring flowers. Everyone had a wonderful time together and took their masterpieces home with pride.

## RUMMY-O ON 9 MARCH & 13 APRIL 2018 (FRI)

More than 30 members gathered for our Rummy-O event in March and April. After an appetising buffet, the members started their game of luck and strategy, where everyone racked their brains to decide the next tile to play amidst the cheery atmosphere. As a form of encouragement, the mystery prize in April went to the player with the lowest score. The mystery prize was only announced at the end of the event, keeping everyone hyped up and in suspense.

Everyone with bright smiles as they mingled with other members through a simple-to-play game.

# Service Compliments

## Thank you... We are always at your service

Dear OCC,

We are very happy to have chosen OCC for our wedding dinner night on 21 January 2018 at The Grand Ballroom.

We had a memorable and magical night, with all the 50 tables of families, relatives and guests giving raving praises to OCC, for the marvellous food (Peach Garden, especially the first cold dish, shark's fins and the Ban Ting fish) and services, to the big venue and the beautiful setup to the gift (the beautiful pens) and even the special shuttle bus services for the banquet.

Both of our families were more pleasantly surprised that all the food tasted better than our food tasting day. We appreciate Peach Garden for their effort to listen to our comments and feedback, and improved their food quality accordingly.

Even though we had small issues with the two small screens at OCC, we are glad that overall, the technical side and effects worked better than expected.

No one from our 50 tables (including us) had any single bad comment but only good praises to give on our wedding dinner and we think that this is something to give a loud applause for. There was a small incident of hot water pouring on one of my relatives but it was quickly resolved.

Behind all the moments, there were definitely many behind-the-scenes preparations, hard work and co-ordinations. We decided to take some time and specially write in to compliment Fabian, Sales Manager, for his consistent effort, advice and initiative to assist and coordinate with us, and reply us promptly when we faced various challenges since December 2016. Even when he was not around at work, he would refer us to a colleague or somehow still reply us.

We (including our parents) are struck by his sincerity, thoughtfulness and the extra mile effort when we started to recce and find our wedding dinner venue. Fabian is probably one of the main reasons why we chose OCC eventually. He would always offer good suggestions and even solutions (such as the advice on ang pow boxes and laptops) and listen to our request (as we try to be as reasonable as much as possible) and try to fulfill them within reasonable measures.

We would also like to thank the staff and banquet of OCC including Azman, the banquet manager, for all their great coordination and effort in making our night a fantastic one! The dry ice effect of march-in, the buggy second-march in and the ever-initiative to help my wife fold her long dress was commendable.

We would absolutely recommend OCC to our friends and relatives (some of them who attended our wedding and getting hitched have actually started to ask about OCC banquet details).

With many thanks!

Sincerely,  
William & Huang Fang

Varu was super helpful and friendly. He allowed me to extend my check out time because I needed more rest as I was down with a bad cold. Prompt service from Varu – he helped me tune into HBO channel and brought additional plugs for international sockets very quickly to me. Highly recommend that the company recognises his work in delivering excellent customer service to guests like me. Shuttle bus timings are very punctual! Supermarket is very handy, and lovely well-maintained grounds! I'm looking forward to returning in June! Like the spacious room and views! Big bathroom!

Judy, whom we met at the breakfast bar, provided great advice. We loved chatting with her throughout our stay. All staff were wonderful, so professional and friendly. We would recommend this place to our friends in Australia and we look forward to staying here again.

Hi Dennis,

Just writing a short message to say thank you for all the hard work the team at OCC has been putting during this year. We have had a lot of positive comments on the improvements to the condition of the golf course since the start of this season, which began on 22nd January. The condition of the greens, and specifically the speed of them, has seen a marked improvement on previous seasons, something that has been very noticeable and has led to a lot of very positive feedback to me from all the players. I would appreciate it if you could pass on my thanks to all the grounds team and management that have been involved in this improvement. I hope that these improvements can continue throughout the year. All the players greatly appreciate the speed of the greens being quicker, and the surface has always been great quality.

I'd also like to thank all the golf reception staff too. Every week they do a wonderful job of taking care of me, and all of the players as they arrive. Coming over to run the Monday Night Golf League is the highlight of my working week, and a lot of that is thanks to the support and great work all of the team put in at OCC for the event.

I am currently having a recruitment push for the remainder of this season, but more with next season in mind. I am encouraging more of the players to invite guests to play to show what it is we are doing, and to encourage those guests to join teams or build a team of their own. The improved course conditions will help with this process. I am sure guests will be thoroughly impressed with the product and the condition of the course with the way your team has it improving.

Keep up all the good work! I know we all appreciate it in the league, and I am sure the members are enjoying the hard work and developments they are seeing too. Many thanks!

Kindest Regards,  
Nigel Bark
