DEAR MEMBERS & FRIENDS,

Warm greetings from scenic Orchard!

This year has been an exciting year for us. It marks the 25th Anniversary of OCC and we commemorated this milestone with some memorable highlights.

We had the OCC 25th Anniversary Golf Friendly on Sunday, 14 October. The event received an overwhelming response with a good turnout of 190 golfers. We were honoured to have the Chairman of SLFLE, Mr. Lim Jit Poh, gracing the event. Mr. Lim, who was our Club President from 2008 to 2011, was very pleased to witness the Club's social objectives being achieved by the Committees and the Management. I would like to sincerely thank all the members who have supported and participated in this milestone event. Read more about it on Pg 12 and 13.

We are always keeping a very close ear to the hearts of our members, and we understand that as we reach each milestone of our lives, our desires and ways of seeking recreation and enjoyment in life change. Some of these members who are retiring or have already retired, will be looking at activities that are not as physically taxing. In order to rejuvenate the membership and help the group of founding-pioneer members transfer their memberships, we reduced transfer fees for the various Individual Membership categories in July this year. This move is specially for members who do not have immediate family members who are keen to take over the membership. The reduction in transfer fees will help enable these members to get a decent residual amount from the transfer of membership.

The recent closure of JCC and RCC saw many golfers looking for a new home club, and the reduction of transfer fees was timely to help those who wish to transfer their membership. For the past few months, we are seeing not only familiar faces at our golfing, social and sports activities, but also many new faces too! Do say 'Hi' and give our new members a warm welcome to OCC!

On the golfing front, we are always committed to maintaining our golf courses in tip-top condition for members. We have recently embarked on another greens hollow-tining exercise with smaller tine size in mid-October, to level off the unevenness that was caused by the more aggressive hollow-tining exercise in June. The greens were also rolled and lightly topdressed to smoothen the putting surface and promote matting. The practice chipping green and putting green near Aranda Hole 9 green were also temporarily closed to facilitate the re-surfacing and growing-in of new green turf species, and will reopen at the end of November. The greens were re-surfaced with new green turf species, which are Trinity Zoysia and Primo Zoysia, as a selection trial for the new greens if they are proven suitable. In November, members will be able to try out the new greens for themselves and please let us know your feedback.

The Club is focusing on future plans for the golf courses, especially with the increase in recent tee times due to the closure of JCC and RCC, and Seletar Country Club and TMCC, Garden course, undergoing renovation. The Greens Committee is aware of this and are paying attention to the aesthetics and playability of our golf courses. We will be looking into enhancing and improving our golf courses as soon as possible, so that we can provide a longer period of enjoyment for our golfing members. I am pleased to share that the Greens Committee, together with the General Committee, will be evaluating the plan to upgrade the golf course. The Committees will look into various play areas and prioritise based on the importance of play components such as greens and green complexes, safety of play, bunkers, irrigation system, weeds eradication on tee boxes, fairways and immediate rough. Members need not worry as the upgrading will be done on nine holes at a time, leaving 18 holes for members' play.

This year, we have also wrapped up a few upgrading initiatives to improve our Club facilities. We have completed Phase 1 of the club-wide restroom upgrading project and we are into Phase 2, targeting to complete by end of the year. The renovation work done for the Golf Registration Counter was completed in June; the roof replacement and improvement work done at the walkway along the Gym at the Recreation Clubhouse was completed in August; and the Driving Range balls were replaced with brand new white balls in June for a better practice experience.

In September, the Club welcomed a new tenant at the Driving Range – Golf Performance 360, a golf academy that aims to promote golf, build on and increase the junior golfers' fraternity, provide comprehensive one-on-one coaching as well as provide state of the art golfing equipment to help improve your golfing techniques. This new addition will definitely improve the retail and tenancy mix at the Driving Range, thereby giving members more variety and choices. Another highlight at the Driving Range is the upcoming Range Carnival on Saturday and Sunday, 3 and 4 November. We have more than 30 retailers and the full day event promises lots of fun and excitement with Novelty Challenges, Golf Performance 360 Pro Demo, golf equipment and apparel bazaar, and many more! For the younger participants, we have rainbow and chopstick calligraphy and dragon beard candy to keep them entertained.

We are also pleased to introduce our newly appointed swim school, SpeediSwim Aquatic Centre, which started with us in October this year. Check out their swimming programmes suitable for students of all ages. The Club's continuous move in optimising the tenancy mix is our commitment to members and guests in making the Club environment more dynamic and vibrant.

As you are clearly aware, OCC is the venue of choice for weddings, birthdays, corporate meetings, seminars and D&D. We have a 75-room hotel to support team building programmes, the Grand Ballroom that can accommodate up to 1500 guests, and 817 parking lots as well as the to-and-fro free shuttle service from the Club to Yishun MRT station to support all functions and events. If you have friends and families who are looking for an event venue to celebrate special occasions, do give our Sales & Marketing colleagues a call!

How time flies! Christmas is just around the corner; get together with your family and friends for the annual Christmas Light-Up at Vanda Terrace at 6pm on Saturday, 10 November 2018. Sing along with the carolers and meet Santa! For those who enjoy ballroom dancing, come dressed in your best sparkling and swanky attire, and join us for an epic "Diamond Night" Countdown Party on Monday, 31 December 2018, to close the year with a big bang!

I would like to take this opportunity to thank all members for your staunch support for the past 25 years and we look forward to having all of you continuing this wonderful journey with us.

On behalf of our Proprietor - SLFLE, General Committee, Executive Committee, Sub-Committees, the Management and staff, I wish you and your loved ones a very Merry Christmas and a Happy New Year! May 2019 be a year filled with joy, peace and blessings!

Warmest Regards,
RICHARD FOO
General Manager

"Hinge and Hold" for more consistent shots around the green

1. Set up with your weight favouring your lead leg, i.e. left leg for right-handed players and vice versa. Do a quick check to make sure that your head is facing more towards your lead knee, keeping your eyes on the front of the ball.

2. Your backswing will determine the length of your shot. The greater the distance you want to achieve in your shot, the further you will need to swing the club back.

3. Through the hitting area, don't allow the clubhead to overtake the hands. A quick check is that the clubhead will finish closer to the ground than your hands.

Follow the tips above to achieve better and more consistent contact!

Just before dawn, more than 300 participants briskly made their way to OCC in excitement for Urban Aquathlon, a two-stage race event that consists of swimming and running. A palpable spirit of friendly competition was felt among the adrenaline-driven athletes as they geared themselves for high-octane performances, personal best times and podium finishes.

First to kick-start the event at 8am was amputee athlete, Alim, who swam 400 metres before passing it over to double amputee, Boon, to complete the 3KM run on his prosthetic legs, as supporters cheered from the sidelines. Participants in the Junior and Novice categories swam 100 metres followed by a 1KM run, while those in the non-timed Inclusive category swam 50 metres and ran 500 metres – an event designed to cater to diverse abilities, and to strengthen inter-generational participation and promote inclusivity.

Athletes from all walks of life swam and ran hard that day, demonstrating their prowess and sheer determination. Kudos to all and congratulations to all the winners!

As a Golfer, you apply sunscreen 3 times more often than your non-golfing friends.

Most sunscreens contain chemicals that pose unintended negative health consequences. This is alarming as you spread a thick coat over the face and large areas of the body, and have to reapply frequently. Unlike other personal care products, like shampoo, where you quickly wash off, the sunscreen you apply, stays on you for hours.

Furthermore, sunscreens commonly include ingredients that enhance penetration. As a result, many sunscreen chemicals are absorbed into the body and can be measured in blood and urine samples.

Shouldn't you use a sunscreen that respects your health and protects you from the undesirable effects of extreme sun exposure at the same time?

At Holistic AntiAgeing Project, we have picked the sunscreen with your health in mind, so you can concentrate on scoring more birdies.

Health Talk on Sarcopenia and Joint Pain

There is a correlation between Sarcopenia and joint pain. As we age, we suffer from chronic joint pain and tend to avoid activities which aggravate the pain. As a result of not using those muscles, we lose muscle mass and strength, leading to the occurrence of rheumatic diseases. This talk will focus on what Sarcopenia is and how it affects us. Attendees will learn how to identify, prevent and manage Sarcopenia musculoskeletal pain disorders.

Trek De Opium Hill

Join us on this trek where we will check out the site where the Battle of Opium Hill was fought. This incident at Pasir Panjang was one of the fiercest battles that took place in Singapore during World War II. As we take a ramble on Opium Hill, experience what it must have been like for the invading Japanese soldiers as they fought their way uphill against a brave but heavily outnumbered troop of the first Malay Brigade of the Malay Regiment. It is rumoured that these hills are still haunted by the spirits of soldiers who lost their lives. If this has piqued your interest, then make a date with us. In addition to learning about this historical event, be prepared for an experiential learning of the flora and fauna of Singapore.

Motivating & Inspiring Us To Do More And To Serve You Better

Dear Thomas,

It is with full confidence that we commend Mr Fabian Tan as a Orchid Country Club Senior Sales Manager of the highest calibre.

He is a great listener and communicator. Whenever I have any queries or requests for the event, he would listen to me attentively over the phone (I remembered there was a call with him that lasted for close to an hour) while providing me with recommendations and suggestions that most suit my requirements. He was very flexible and a real pleasure to work with. He always made sure that our requests were addressed to the best of our satisfaction.

Mr Fabian is also very professional and extremely responsive. He never complained and was always extremely helpful, happy and seemed to truly love his job. My husband and I were impressed by the reliability, responsiveness, and expertise demonstrated. There were some issues with the bouncy castle and the Satay live stall set-up. Fabian went the extra mile to arrive at the event hall personally and made sure that everything's settled for me on the spot.

Thank you, Fabian, for all your help and especially your patience and personal touch. You have made the event a memorable one for all my guests.

Thank you, Orchid Country Club, for providing such professionals like Fabian, who are highly qualified and experienced as well as being genuine, warm-hearted individuals with a clear passion for their work. Fabian is truly an asset to the organisation. Keep it up!

We hope to have the opportunity to work with you all again for our next event.

Many thanks and best regards,
Becky Lee

I would like to take this opportunity to express my compliments to one of the golfing changing room staff.

Ms Toh Bee Hong is friendly, polite, attentive and full of warmth. For many years of membership at OCC, I have not met any changing room staff as hardworking and cheerful as her. Thumbs-up to Bee Hong for the good job attitude. Seeing her reminds me of our senior Singaporeans contributing to the share of the workforce and I feel proud for her.

Well done, Bee Hong! Please continue with the good work!
 Thank you.
